Write for the Tom Tom!

This summer there's more than one way to see your articles in print! As in previous years, if you've seen something interesting happening in Camp, you can write about it and turn your work into Andy Butts. In addition, this summer we're starting an activity called **Publishing!** It meets every day for one of your activity periods and you'll learn about the wild and wacky side of how professional newspapers and magazines get put together. Also, you can expect to write an article, do an interview with whomever you desire, and work on editing and layout—for that week's Tom Tom of course! Make sure to sign up for Publishing today!
